YOUR GIFT

A DONATION TO HEALTH CENTRAL FOUNDATION IS A WONDERFUL WAY TO RECOGNIZE AND THANK YOUR PHYSICIAN, NURSE OR OTHER CAREGIVER IN A MEANINGFUL WAY.

Health Central Foundation’s Grateful Patient Program provides an opportunity for you to acknowledge your caregiver and also ensure continued outstanding medical care to the community.

We appreciate our dedicated staff that daily provides our patients exceptional care... and appreciate people like you who recognize them by making a gift to the Foundation in their honor!

If someone makes your visit or stay at Health Central or Health Central Park a more pleasant one, consider a gesture that shows your appreciation and at the same time, helps others.

When you make a donation in honor of the physician, nurse or other caregiver who made a difference in your visit or stay, they will receive an acknowledgement letter informing them of your generous, heartfelt gift.
